

The American Dream  
isn't Real  
It's an Illusion  
— A Delusion!

Like God  
or Christ  
Buddha  
Elvis

Well —  
I never saw  
Him  
in person

H.S.T.  
looked for  
the American Dream  
in Vegas

Was it there?  
Is it anywhere?  
Do you care  
Mon frère

An ass  
of a rat  
is more real  
Concrete

than the chase  
Wild goose  
...(of the)  
American Dream
